in the Gardeulanen Kaserne, Potsdam a veterinary hospital with German stable personnel from Karlshorst had moved into the former laundry building of the installation on 3 and 4 September 1950.

as belonging to the motor pool in the installation. (1) previously identified the 40 trucks and passenger cars, would be newly painted. Forty additional motor vehicles would be issued to the unit.

2. On 13 and 14 September 1950 trucks hauled furniture to the Generals' Quarter in Neuer Garten. the furniture would be used for the 180 civilian and uniformed women who were billeted there. 50X1-HUM
3. Between 12 and 15 September 1950 it was observed that planks from the Koenigs-wald were hauled across Jungfern Lake on pontoons and loaded on trucks on the other shore. The planks were moved to the freight station, where bridge-building equipment, iron structures and sections of temporary barracks were already piled. About 40 engineers were seen working there (3). 50X1-HUM
